HOW WILL CPD HELP ME GET A JOB?

What is CPD?

CPD stands for Continuing Professional Development. It's a way to keep learning and building skills that employers value.
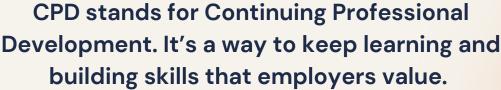

Why CPD Matters

When you start a job you will be expected to undertake training. CPD demonstrates to employers your capability and commitment to self-study.

- Show employers you have gained practical skills
- Feel ready to re-enter the workforce
- Official CPD certificates for your job applications

How to earn CPD Points

Complete 1 of 15 Way2Learn courses to achieve a CPD certificate with accredited points.
